

Three Year Education Plan

31 August 2011

In order to meet the goal of offering the courses our members want within a reasonable time period, we try to offer all the courses within a three year period. The following plan is based on a reasonable sequence for new members as well as providing the rest of our members the opportunity to take any course they wish. Seminars will be offered as interest indicates the need. ABC 3 is offered twice a year, but is not listed below.
