Commander's Message

It is with great sadness that I must report that long-time member and Squadron

auditor, R. Lee Jordan, AP, passed away recently. Lee had been seriously ill for several months. On behalf of SRSPS I want to express our deepest sympathies to his wife, Rose, and to his entire family.

I am also sad to report that Ken Hyland a former Squadron member passed away suddenly while on vacation with his wife in Europe. Ken moved back to his native Canada several years ago. The Squadron extends its deepest sympathy to his family.

The picnics are half through, and I have been able to attend only one. The first one was on June 24th, the day that my house was broken into and I was home. Yep, if you think you know what to do when you stumble upon an intruder, you are dead wrong, you are in shock, you take time to register what in the world is happening. Then you react, seconds. He is caught; good riddance.

The Squadron clambake will be coming up shortly. Please attend, it was a fantastic last year. Everyone had a great time and the food was great as well. We had a very big turnout.

The Squadron has done so many vessel safety checks, that we are now on the list with national. Anyway, come join us at the picnic, bring food, drink and cheer, we will see you in the sand and next to the fire. have a very fun boating season.

Craig Burry, P
Commander
